### Care, Learning and Play Policy

- The crèche will provide good quality toys and equipment to British Standard.
- We will provide toys and activities appropriate to the child's age and development and ensure they are readily available and in good condition at all times.
- We will plan our curriculum on the 'Birth to Three Matters Framework' and the 'Foundation Stage Curriculum Guidance'; we will offer each child activities and play opportunities to develop their emotional, physical, social and intellectual abilities.
- We will support children in their choice of activity and listen and talk with them about what they are doing.
- We will help children learn what is right and wrong.
- We will offer opportunities for children to rest when required.
- We will offer a curriculum for any 'Stay and Play' sessions with parents and children and help them have fun and learn together through play.
