Student Placements

We recognise that the quality and variety of work that goes on in a crèche makes it an ideal place for students on placement from Early years training and qualifications as well as those on Diploma in Preschool Practice or Tutor Fieldwork courses.

In co-operation with educational providers, we welcome students into the crèche on the following conditions:

- The needs of the children are paramount. Students will not be admitted in numbers which will hinder the essential work of the crèche
- Students must be engaged in bona fide early years training which provides necessary background understanding of children’s development and activities
- Any information gained by the students about the children, families or other adults in the crèche must remain confidential
- Unless registered as fit persons, students will not have unrestricted access to children.
