

Promoting Positive Mental Health In the Lancaster District

BME Community Development Work Getting Involved!

We are looking for volunteers from isolated groups to form a focus group relating to Mental Health Services; this will be an opportunity for you to feed your ideas and recommendations to those working within the existing services and advise on future developments. The work will focus on Mental Health services as experienced by people from Minority Ethnic communities.

Please find enclosed a volunteer application form or if you would be interested in more information or to get involved please complete the reply slip below and return to:
